### **Area VII – King County Breakfast March 11 at the Seattle Tennis Club**

Our Founders Day performance featured a poem written by Melanie, who was inspired by *The Midnight Ride of Paul Revere*. Kris and Loveday helped Melanie perform the poem, to critical acclaim! We were asked to perform Melanie's poem again at the Spring Convention! This poem will go down in the history of Area VII!

Our speaker, Lisa Chick, President and CEO of Alliance for Education, inspired us as she spoke about the *Seattle Teacher Residency* program. She brought with her as Guest Speaker a teacher who is a participant in the program.
